Dear Trustees

I am writing to you today to pass on my heartfelt thanks for the funding that The Wellington City Mission has received from the Sargood Bequest.

The \$2000 that we received earlier this month will enable us to purchase much needed emergency equipment as we aim to assist many of those families who are struggling and at risk in these trying economic times.

Although these are difficult times for many we firmly believe that our work in the Community is producing positive results and it is extremely gratifying to know that you are prepared to continue to stand alongside and support us as we go to the aid of many of the most vulnerable families in our community.

From myself and all of the staff at The Mission I thank you once again for believing in and supporting the work of The Wellington City Mission.

God bless
