To the Trustees,

On behalf of Adventure Specialties Trust staff and Trustees I would like to thank the Sargood Bequest for their generous donation towards gear for our work. I have enclosed the signed receipt acknowledgment as requested.

This grant came at a great time for us as we needed to upgrade our rain wear and tramping gear before the winter sets in. We have had an increase in expedition programmes this year and the granted gear will receive heavy use and ensure no one is barred from participation because of a lack of access to good quality and safe outdoor clothing/equipment.

Thank you again and if you require any further information please do not hesitate to contact me.

Regards
