To the Trustees of Sargood Bequest

I would like to take this opportunity to thank you for your previous financial support of my swimming goals.

I have recently returned from the World Championships in Kazan, Russia and had the most amazing experience racing some of the world's top swimmers.

I placed in the top 25 in the world for my 200 Individual Medley and 16th in the men's 4 x 100 medley relay.

This experience has given me even more inspiration and drive to continue with the goal I have had for nine years. Having qualified for the World Championships has made me realise I am getting very close to my goal of qualifying for the 2016 Rio Olympics.

The support you have given me is so greatly appreciated and words cannot express enough how your contributions have helped myself and my family.

Please accept my genuine thanks.

Yours sincerely

Bradlee Ashby
