Thank You

On behalf of the Royal Forest & Bird Protection Society, I would like to thank Sargood Bequest for the recent grant of \$5,000 towards an interactive educational display at the Pelorus Bridge Scenic Reserve.

These funds will allow us to develop the "Forest by Night" display, as well as assist with the purchase of necessary equipment to help make the display a reality. We believe this display will offer day-time visitors to the Pelorus Bridge Scenic Reserve the chance to experience the nocturnal sights and sounds of the native bats, weta, glow worms, and fungi that call the area home.

We will keep you updated on our progress. I have enclosed the signed payment advice as evidence that we have received the payment to our account.

Please do not hesitate to contact me should you required anything at all. Thank you once again.

Yours sincerely
