ustees,

ou for your continued generous support of FYD. Your contribution helps us to provide Kiwi Kids with the
to reach their potential.

ocused upon building a youth population in New Zealand with a positive outlook, helping young Kiwis to
possibility, transform their lives and reach their full potential. Our proven programmes are delivered to
10,000 young Kiwis, in 20 communities across New Zealand each year. FYD believe that positive youth
ment of our young people is the best weapon to fight our negative youth statistics.

ou for helping us in this essential work. Your contribution will make a difference.
